Kwang Sung Actively Promotes Latest HD Tuner Modules At Hong Kong Electronics Fair (Autumn) 2007

(Hong Kong, 22 October 2007) **Kwang Sung Electronics H.K. Co. Limited** (“Kwang Sung” or the “Group”), is a recognized electronic components manufacturer and supplier serving the audio, video and telecommunication industries. Following an agreement reached with iBiquity Digital Corporation of the United States in June 2006, the Group has actively introduced tuner modules for hybrid digital radios (“HD Tuner Modules”) to satisfy demand in the American market.

Between 13 and 16 October 2007, the Group showcased its latest HD Tuner Modules at the Hong Kong Electronics Fair (Autumn) 2007 held in the Hong Kong Convention and Exhibition Centre (Booth No.: 2F33). Below are snapshots of the Group’s booth and exhibits:-
